Company Profile

[www.arlisman.com](http://www.arlisman.com)

Zhongshan ARLISMAN garment factory was founded in **1999**, it was sited in Shaxi, Zhongshan, which is the capital of Chinese clothing. ARLISMAN is a typical garment processing plant who provided clothing customization, garment processing and mapping service.

After years of development, the factory has formed a rigorous production system and a strict quality control system. Gradually attracted the attention of famous clothing brands, ARLISMAN started the cooperation one after another like **US.POLO. ASSN, H&M, BHS, DEBENHAMS, GXG, etc.** Meanwhile, ARLISMAN built a long-term and stable cooperative relationship with multiple retailers and agents. Main type of garment for men cover knit sweater, sweatshirt, hoodie, T-shirts, polo-shirts, casual pants, jeans, clothing accessories, etc.

Be founded in 1999.

Factory floor area.

In recent years, for international brand processing, ARLISMAN also concentrated and established design dept. and sales dept., and founded two self-owned and high-end brands like AVANZAR and ARLISMAN. This not only to improve the ability and service level of processing, but also promote the R & D and sales ability of the factory.

In coming years, based on the principles of honesty management, quality first, cost-effective, ARLISMAN will on the way to be a world - class service company.
